

Job Title: HVAC Apprentice

Location: Washington, DC

Company: Cornerstone Mechanical Solution Inc.

Job Type: Full-Time, Entry-Level

About Us:

Cornerstone Mechanical Solution Inc. is a leading HVAC service provider in the Washington, DC area, committed to delivering high-quality heating, ventilation, and air conditioning solutions to residential and commercial clients. We are passionate about fostering growth in the industry and are looking to expand our team with motivated individuals eager to learn and grow in the HVAC field.

Position Overview:

We are seeking a dedicated and hardworking HVAC Apprentice living currently in DC to join our growing team. As an HVAC Apprentice, you will work alongside experienced HVAC technicians to learn the ins and outs of heating and cooling system installation, maintenance, and repair. This is an excellent opportunity to start your career in a stable, in-demand industry with plenty of room for growth.

Key Responsibilities:

- Assist in the installation, maintenance, and repair of HVAC systems.
- Learn to troubleshoot heating, ventilation, and air conditioning systems.
- Work with tools and equipment under the guidance of senior HVAC technicians.
- Follow safety protocols and maintain a clean, organized work environment.
- Assist in diagnosing HVAC system issues and providing solutions under supervision.
- Help with system diagnostics, cleaning, and performing routine maintenance.
- Ensure customer satisfaction by providing high-quality service.
- Continue education and training through on-the-job learning and possible formal coursework.

Qualifications:

- High school diploma or GED (required).
- Currently living in DC.
- Basic mechanical skills or experience (preferred, but not required).
- Strong willingness to learn and develop HVAC expertise.
- Ability to work in a physically demanding role, including lifting and working in confined spaces.
- Good communication skills and a customer-first attitude.
- Reliable transportation to and from job sites.
- A valid driver's license is required.
- Ability to work in various weather conditions and environments.

**What We Offer:**

- Paid training and on-the-job learning.
- Competitive hourly wage with opportunities for advancement.
- Paid time off (PTO) and holidays.
- A positive work environment and supportive team culture.
- Opportunities for certification and further education in HVAC.

How to Apply:

If you are eager to start your career in HVAC and are committed to learning and growing, we want to hear from you! Apply today by submitting your resume and a brief cover letter detailing your interest in the position.

Please send applications to: info@cornerstonehvacr.com or call +1 301-660-3959 for more information.
